Owner of Record:

Stargate Sport Horses

EVA Status: Negative

Breeder's Terms: Please contact owners

Origin: His sire Baryshnikov has already presented imposing crops of foals true to the type of his ancestors Bolero and Absatz. Baryshnikov, whose maternal bloodline produced seven state premium mares in direct sequence was state riding horse champion of Hanover and following successful dressage trials, he easily went on to the intermediate and advanced levels in which he had wins and high placements. In the meantime, he has been successful up to Intermédiaire I and trained to Grand Prix standard. His dam Paola makes Bergamon the direct half-brother of Donnerklag A (Moritzburg state stud) as well as the diamond ring and Federal championships mare Primavera, who had already produced the approved Rendezvous. Paola on the other hand is a full-sister of Pik Bube I (private stallion, Hanover) and Pik Bube II (Celle state stud). The maternal line based on the phenomenal competition mare Daniela 3 / Hartwig Steenken, who is also known as Sohlenfürstin brought forth the leading competition horses Prinz Charming / Jürgen Ernst, Marathon 20 / Monica Hirsch, the stallions Donnerschlag, Ragazzo and Wall Street (all privately owned Rhineland), Don Davignon (Netherlands), Werbefunk (Warendorf state stud) and Raphanus (private stallion, Oldenburg).

Performance Record: Bergamon absolved his stallion performance test in Neustadt / Dosse in 1997 at the top of his class. He has won a number of conformation show classes and won i.a. at the 1998 Elmloh Riding Horse Championship as well as participating in the Federal Championship.

Breeding/Progeny Record: In 1998, Bergamon presented the winning foal of the Hemmoor foal show (out of a mare by Matcho AA - Pik König). He also presented a candidate for the Vechta elite foal auction in May 1998.
